

SAFETY & RESEARCH

As a LifeShield Alliance member, you contribute to air evacuation safety and research. A portion of every annual membership fee is grouped with fees from fellow members and contributed to a leading national organization for air evacuation safety research, The Center for Medical Transportation Research. We also keep members up-to-date on the latest safety and research information, along with other benefits of LifeShield Alliance, through our quarterly newsletters.

COVERAGE

As one benefit of membership, you are automatically enrolled in air ambulance fixed indemnity coverage offered by Federal Insurance Company, a Chubb company. The coverage pays \$10,000 for a qualified air evacuation, regardless which company performs the transport. The coverage helps cover the cost of unexpected emergencies, when every second counts.
